

# How to Read the Bible Objectives

The purpose of How to Read the Bible is to acquaint the student with the various literature types of the Bible, so when they read certain parts of it, they will understand how to interpret it. For example, poetry is interpreted differently than narrative. The five literature types are:

Historical narrative....Genesis thru Ester & Matthew thru Acts

Poetry...Job thru Song of Songs

Prophetic...Isaiah thru Malachi

Didactic....Romans thru Jude

Apocalyptic...Revelation & parts of Daniel & Ezekiel
