

# Foundations 1: the Basics Class Objectives

The purpose of this class is for you to discover what historic Christianity believes (we are assuming that you have no prior knowledge of this). We'll do this by examining the following areas:

## Who is God?

*Who are we?....the creation & fall of humans*

*Who are we in relation to God?....what? WE'RE not god ourselves?*

Who Jesus is & who Jesus isn't

Is the virgin birth of Jesus really that important?

**How can I believe the Bible?** ...isn't it full of errors, contradictions & myths?

What is "the church"?

Why is baptism important?

*Is there really a 2<sup>nd</sup> Coming?*....c'mon, I don't want to appear fanatical

How can I talk with God without appearing either silly or super-religious?

Are heaven & hell real places?

*Don't all religions lead to the same place?....aren't they just different ways of getting there?*

***Prepare to get your mind sttttrrrrrrretched and some of your ideas radically altered.***
