

# The Real Easter Story

This is a 4 week class. It answers questions like:

What does the Easter Bunny have to do with Jesus?

Where do our Easter traditions come from?

Maybe Jesus didn't really die on the cross

but just passed out?

How do we know He really rose from the dead?...

c'mon, that's a stretch!

Wasn't this a plot by His followers to start their own religion?

Do you want proof beyond a reasonable doubt

that Jesus physically rose from the dead?

Wouldn't it be nice if we had a medical description

of what crucifixion was like?
